With reference to Government Memorandum first cited, I forwar herewith a copy of letter No. 1868 SE dated 18-9-53 from the Executi Engineer, South Kanara Division furnishing a statement showing the amount of extra T.A. and O.C.A. paid to the staff engaged on the investigation of Grow More Food Schemes in South Kanara District.

2. In this connection, I invite kind attention of Government to G.O.Ms.No. 2560 Public Works dated 25-8-47. In para 2 of the above G.O. mention of the special sub division sanctioned for investigation of schemes in Malabar and South Kanara Districts is made. It may be seen therefrom that orders of Government therein are of a general nature and that so long as these two sub-divisions are continued for doing investigation work, the orders in the above G.O. will apply to them and it does not appear necessary that special orders of the Government should be applied for and obtained for drawal of the concessions whenever continuance for this staff is applied for. What was requested in letter No. 1317/53-B-2 dated 7-4-53 was only continuance of the concession and so no fresh orders of Government are necessary.
